## For Immediate Release

### **Local Dentist Named Diplomate in Implant Dentistry**

CHICAGO—In July of 2024, after passing a rigorous examination on implant dentistry, Sattar Syed, DDS from Wilmington, Delaware joined over 600 other dentists in the United States, Canada and Internationally in becoming a Diplomate of the American Board of Oral Implantology/Implant Dentistry (ABOI/ID), making Dr. Sattar Syed one of the worldwide leading experts in implant care.

To sit for the examination, Dr. Sattar Syed was required to practice implant dentistry for at least seven years and prove his implant expertise. To earn the title of *Diplomate*, Dr. Sattar Syed presented cases for review by an expert panel of implant dentists and passed a series of written and oral examinations sponsored by the American Board of Oral Implantology/Implant Dentistry.

The ABOI/ID's examination process measures the in-depth knowledge, proficient skills, and abilities required for practitioners to provide comprehensive, safe, and effective oral implant care for the public.

The ABOI/ID was founded in 1969 and conducts examinations to determine the qualifications and competence of dentists who voluntarily apply to the Board for certification.
